

Low Cost Spay/Neuter!

For every person that is born, 45 cats are also born. We can do the numbers and realize that tragically there aren't enough homes for them all. We can also solve the problem. Folks can get their cats spayed or neutered at low cost. Let's encourage "No more litters, spay or neuter your critters".

Emancipet's mobile spay/neuter clinic is coming to Dripping Springs! Take advantage of this opportunity for a convenient, low-cost spay neuter for your pets.
